

Directions to Molino Galeotto

*Via Molino Galeotto 21 – Pavullo
nel Frignano*

- If you're using Apple Maps as your navigator, entering the provided address will take you right in front of the gate.
- If you're using Google Maps, enter the address Via Molino Galeotto 2, Pavullo nel Frignano and follow the next steps.

- Coming from Modena via SS12 (Via Giardini), at a certain point the navigator will tell you to turn right near a Red House right after a small tunnel – see photo.

- Take that road and continue past several buildings on both the right and left.
(You need to reach the yellow arrow)

- At a certain point, the road might seem unpaved, but it is actually asphalted. Just keep following the main road.

- Here are some details of the path you'll see – always go straight, and only at the fork after the stream, keep to the right.

ARRIVAL – Forgive us for the final stretch of road, but the town administration has delayed its resurfacing.

Park your car wherever you find most convenient.

*Where you see the Red Arrow, you will find the KeyBox with the keys.
